Room Tupu

As mentioned in an earlier newsletter Rooms 1 & 2 have undergone a change in the way that we teach and learn in the space. The open layout of these rooms means that we have the ability to work together and function as one unit for the benefit of every individual in the classroom. Because of this we felt that the rooms needed to come together as a single identity as opposed to being referred to as Rooms 1 & 2. After consultation with students and staff the decision to find a new name that reflects the individuals in these rooms was unanimous. The new name as you can see is Room Tupu, which means the beginning stages of growth and development.

Room 3 News

Welcome to week 3. Over the next couple of weeks we are working hard on collaboration. There have been some interesting discussions during math problem solving time. As we have been selected to be part of a Ministry of Education pilot scheme for Careers and Aspirations Pathways, we are developing what our learning/career journey looks like. There will be snippets coming home over the next few weeks for you to discuss with your child/ren.

Sports News

Rippa Rugby: We have Hayley-Jade for Northland Rugby coming in tomorrow to deliver a couple of Rippa Rugby sessions.

We hope to have her come in a couple more times before our winter sports seasons starts.

Swimming : Can parents make sure children have their swimming togs, girls with long hair have a hair tie/ swimming cap/ swim goggles daily, and if there's any reason your child is unable to swim, we need a note from home, or contact the school.
